

To Whom It May Concern:

I am writing this letter on behalf of Andrew Gerber. I had the pleasure of working alongside Andrew for two years at Central Michigan University and cannot speak highly enough of the experience. During that time, I have found Andrew to be very professional and hardworking. Andrew is a rising videographer and we were very lucky to have him at Central Michigan.

During his time at CMU, Andrew had helped capture the moments of our student-athletes and their successes through video. I was able to work with Andrew during the women's basketball run in the 2018 NCAA Tournament. Andrew created multiple hype videos, interviews, and captured behind the scenes footage. His videos helped engage with CMU fans on social media and brought nationwide attention to CMU women's basketball. His ability to go the extra mile and putting his assignments first set Andrew apart from the rest.

I have no doubt in my mind that Andrew is destined for big things in his career. I give my full endorsement behind Andrew Gerber as he's just beginning to scratch the surface of his abilities as a photographer. Andrew's passion for what he does is inspiring to all those around him and he is truly a talented videographer.

If you have any questions, please feel free to contact me on Andrew's behalf. Thank you for your time and consideration.

Sincerely,
